Make sure that you have an accurate contact method especially a workable email address. If you need the shipping cost, please notify us your delivery address or the name of the international port close to you.

Note: We do not have a MOQ for many of the items we currently offer. On the other hand, to achieve the most economical bilateral costs, we strongly recommend you to order more than 2CBMs per order (for mugs, it would be about 2016pcs).

Step 2: We will reply your questions within 1 working day (most likely to be within 24 hours). Again, your detail description on the potential order and your business direction would be very helpful to an efficient reply.

Step 3: You can take free samples with the value less than US\$5. Any sample required beyond this value will be charged. Also you are required to pay for the sample delivery cost by DHL, UPS or FedEx. We normally provide you two pieces for one item: one blank for your own testing and another one already printed with image to show the normal effect.

Step 4: Once you confirm the order, we will provide you a proforma invoice with our banking details. You would need to make the payment either by T/T (Telegraph Transfer) or Western Union transfer or PayPal or Credit card (for small amount only).

Step 5: Once the payment confirmed, we will follow your order and to ship the goods to you as soon as possible. If we have stocks of the very products with us on the items you want, we will ship them straightforward.

## How does BestSub deliver the goods to me?

We make delivery mainly by sea freight, it costs around 1 month from China to West Europe and North American, and about 15 days to Southeast Asia. However, if your order quantity is too small we have no choice but to deliver them by air courier. Because most of our products are categorized as heavy and low value products, so the express cost is usually high.

Samples are to be delivered by DHL, UPS, FedEx, TNT etc.

If you have your own account # or shipping agent, please provide directly, we can contact them to pick up your order.

## How should I make the payment?

We only accept full advance payment for orders with value less than US\$5,000.

For order value greater than US\$5,000, we accept 50% deposit when order confirmed, and the rest to be paid before shipping.

We prefer to accept payment by T/T (Telegraph transfer) to appointed bank account in China or Hong Kong. We can also accept small payment Western Union transfer or PAYPAL and Moneybookers.com if you like. We DO accept credit card payment.
